POPULAR bottle coolers

facts & figures

CAPACITIES

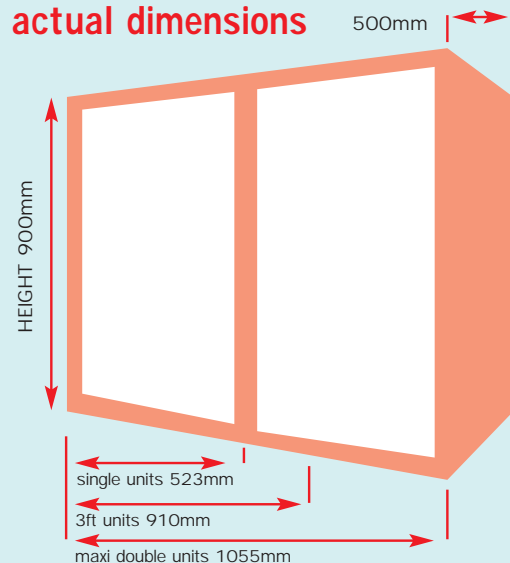

The following table shows the capacities that we would expect to be able to achieve from our bottle cooling cabinets shown in terms of bottles and cans

MODEL TYPE	330ml BOTTLES	330ml CANS
Single door integral	87	144
Maxi Double door integral	240	320
3ft. double door integral	174	288

ADDITIONAL FEATURES

- ▼ Illumination is with 'warm white' lighting to minimise 'light struck' beer syndrome
- ▼ Each cabinet is supplied with two adjustable shelves, black finish standard
- ▼ The door on single cabinets is right hinged and is easily changeable to left
- ▼ Cabinets come ready for use with two metres of cable and a 13 amp plug
- ▼ Interior of the cabinet is finished in highly reflective dimpled aluminium
- ▼ Illumination and cooling can be switched off independently to save power
- ▼ Wine racks, locks and other accessories and finishes are available

actual dimensions
