

NEW ADDITION TO THE RANGE

EC8

Air Freshener

Concentrated air freshener and fabric deodoriser. Contains a patented ingredient to counteract malodours and enables the perfume to deliver a longer lasting fragrance.

FEATURES:

- Freshens the air and deodorises fabrics
- Appealing, long-lasting, fragrance with notes of lime, jasmine and rose
- For use on fabrics which cannot be cleaned in a washing machine, such as curtains, soft furnishings and carpets
- Concentrated; low dosage, very economical in use
- Colour coded, screen printed spray bottles available
- Peel and reveal, multi language label
