

Sprint 200 Pur-Eco SD

Multi Purpose Cleaner - concentrate

Introduction to Pur-Eco

- ▶ Pur-Eco is a solution of choice when combining performance, safety for the user and environmental responsibility.
- ▶ All formulations are used at low dosages, limiting the use and disposal of chemicals into the environment and packed in recyclable material.
- ▶ Diversey's expertise environmental commitment and certification against ISO 9001, ISO 14001 and the AISE Charter of Sustainable Cleaning provide further guarantee of quality and efficacy.

Product description

- ▶ Alcohol-based daily multi-purpose cleaner for streak-free cleaning of glass and all water-resistant hard surfaces. Thanks to its smart packaging, the SmartDose concept allows to easily, safely and accurately dose concentrated cleaning products.
- ▶ Sprint 200 Pur-Eco SD is formulated with surfactants derived from natural vegetable sources to minimise the impact on the environment and ensure a safer use.
- ▶ Sprint 200 Pur-Eco SD fulfils the criteria of the EU "Flower" and Scandinavian "NordicSwan" eco-label schemes.

Key Properties

- ▶ pH-neutral, versatile application
- ▶ Fast acting
- ▶ Based on an effective combination of alcohol and surfactants derived from natural sources
- ▶ Convenient and controlled dosing through the SmartDose system
- ▶ One fragrance for all Pur-Eco range

Benefits

- ▶ Suitable for use on water-resistant hard surfaces, including windows, mirrors, glazed ceramic as well as plastic surfaces
- ▶ Leaves surfaces free of marks and streaks
- ▶ Excellent removal of finger-marks as well the spot treatment of other slightly adherent soils.
- ▶ Leaves a pleasant scent in all cleaned areas
- ▶ SmartDose system allows simple, accurate, safe dosage of super concentrated chemicals

Sprint 200 Pur-Eco SD

Use instructions

Dosage: Proper dosage saves costs and minimises environmental impacts. The SmartDose dosing system can be used for controlled dosing into spray bottles or manual cleaning buckets.

Dosage

- ▶ Bottles filled with 500ml water 1%
- ▶ Buckets filled with 5L water 0.3%

Number of fillings

280
100

Important: Do not use on water-sensitive surfaces/materials (e.g. unsealed wood or cork). Test material compatibility in a small, inconspicuous place before use.

Application

Daily cleaning with spray method: Fill the spray bottle with 500ml water. Turn yellow head to bottle position; pull head up fully; then push down fully to release product into the bottle. Shake bottle gently before use. Use 1 SmartDose shot as per 500ml of water in the bottle. Spray product onto a lint free cloth and clean the surface. Repeat application in case of heavy soil.

Daily cleaning with cloth and bucket: Start filling the bucket with water. Turn the yellow head to bucket position; pull head up fully; then push down fully to release product into the bucket whilst completing the filling of the bucket. Use 1 SmartDose shot as per 5L of water in the bucket. Clean the surface.

Technical data

Appearance	clear, blue coloured liquid	pH-value neat	5.5 – 6.5
Relative density (20°C)	0.99		

The above data is typical of normal production and should not be taken as a specification.
