

The Stretch-2-Fit gloves are also significantly stronger and so do not tear when they are put on or worn during care procedures. One member of staff who has suffered with skin allergies now reports that her hands have improved and therefore will not wear anything other than the Stretch-2-Fit gloves. I would have no hesitation in recommending these gloves to other care staff and Nursing Homes because the product is of a very high quality with benefits to both staff and residents. - Low cost yet technically superior.
- 260% less waste packaging, 260% less storage space, 260% less transport.
- Single dispensation.
- Recyclable with one tenth the carbon emissions of all other gloves.
- Stretch and tear rather than break-up to prevent contamination.
- Five colours for differentiation of usage occasion and location.
- Minimised perspiration and chemical residue.
- Saves on water, soap and sanitiser, paper and time.
- True hypoallergenic properties.

"We have found these gloves have numerous benefits without being more expensive..."
