TERRA PORCELAIN

TECHNICAL SPECIFICATIONS

Terra Porcelain's undefined beauty is crafted through natural effect and spontaneous reactions which occur in the kiln. A unique glaze formula, combined with high temperature firing, results in no two pieces looking exactly alike. Colour intensity varies from piece to piece, creating a truly distinctive look.

All items are priced individually and sold in packs

Antigo Terra Stoneware

Antigo, Portuguese for old or ancient, is inspired by the aging of Bronze. The grey finish with subtle highlights of green captures this process like no other with an unusual sense of historical importance. Natural variations in the reactive glaze blend rustic and contemporary styles.
