

## Is style important to your establishment?

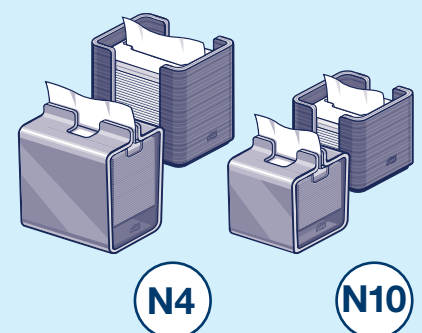

Designed to  
**fit any  
décor**

### Key benefits

-  One-at-a-time dispensing
-  Versatile napkin dispensing options to fit your business needs
-  Improve hygiene by only touching the paper you take
-  Single sheet dispensing reduces waste and consumption

### Tork Xpressnap® Image Line

Do you need to provide napkins in a more modern, stylish manner which give the right lasting impression

**Dispensers**

**A touch of style**

Tork Xpressnap® Image Line dispensers offer you control over napkin consumption in an award winning product design. Available in either Walnut or Aluminium, Tork Xpressnap Image Line dispensers means napkins never looked so good.

One-at-a-time napkin dispensing secures that you only touch the napkin you use

Reduced napkin waste by at least 25% compared to traditional napkin dispensers

Stylish, modern dispenser available in Aluminium or Walnut

**Refills**

**Tork Xpressnap® Extra Soft Leaf Design White Dispenser Napkins**

- These 2 ply napkins give a quality for establishments wanting to provide a premium napkin in a stylish dispenser

**Dispensed napkins available in meal and snack size**

**Sizes:**

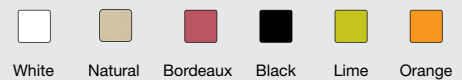

- Large meal napkin for extra protection (¼-fold)
- Regular sized meal napkin (½-fold)
- Snack napkin when a smaller napkin is enough

**Qualities:**

- 1 ply napkins for basic needs
- 2 ply thicker and softer napkins for a higher quality impression

**Available in six colours**

Choose the right napkin colour to enhance your guest experience:
