

## Does your washroom convey the right image?

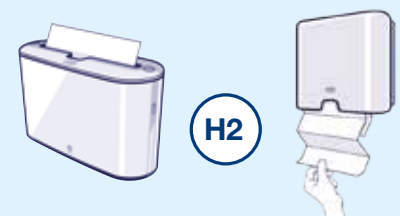

An unrivalled range of hand towel systems to suit any washroom need

### Key benefits:

-  Slim, attractive and award-winning dispensers.
-  Single sheet dispensing reduces consumption and is more hygienic since visitors only touch the towel they use.
-  Overfill protection for easy refill. See through window shows when it's time to refill.
-  Tork Easy Handling™ Carry Pack makes it easier to open, carry and dispose of packaging.

### Tork Xpress® Multifold Hand Towel Dispenser

You are well aware that the impression your washroom creates is important for the image of your business. You want convenience for your staff, but factors like efficiency and hygiene are equally important.

## Dispensers

Our stylish and award-winning Tork Xpress Multifold Hand Towel dispensers are easy to maintain, easy to use, easy to load and easy to clean. Together with our wide selection of hand towel qualities, it's easy to find the right combination for you and your business.

### Tork Xpress Multifold Hand Towel Dispenser

- Large capacity means less refilling
- Needs minimal maintenance
- Holds two and a half bundles

### Tork Xpress Multifold Mini Hand Towel Dispenser

- Perfect for when space is a premium
- Discreet and stylish
- Holds one and a half bundles

### Tork Xpress Multifold Countertop Dispenser

- A great alternative to hand towel baskets
- Flexible – place wherever you want it
- Holds one bundle

## Refills

### Refills

From basic environments where cost matters most, to image conscious washrooms where style and sophistication is everything, there's a Tork Xpress Multifold Hand Towel that's perfect for you.

#### Premium

Extra Soft High Quality and gentle on the hands  
Quick Dry: dries hands more quickly

#### Advanced

Our most popular range balances cost and performance

#### Universal

Ideal for busy washrooms, offering good value for money

#### Flushable

Our unique, flushable refills are ideal for high-risk areas where towels may be put in the toilet instead of the waste bin.
